

3rd INTERNATIONAL CONFERENCE ON

GLOBAL FOOD SECURITY

3-6 DECEMBER 2017 | CAPE TOWN, SOUTH AFRICA

**Join us for the 3rd International Conference on Global Food Security:
Global Challenges, Local Solutions and Connected Pathways**

The five core conference themes reflect an integrated approach to identifying solutions to the complex global challenge of food security:

1. Food creation
2. Food safety and bio security
3. Food loss and waste
4. Food in a changing society
5. Food utilization

Conference Chair:

Lise Korsten
